Social climate

As a Diocese of Toowoomba Catholic school our school uses the School Renewal and Improvement Process (SRIP) to inform our strategic and annual action plans. This process includes

- a continual self-review to collect student, staff and parent views and satisfaction with our school across four domains: Engaged students, learning; Being distinctively Catholic; Using resources wisely and Valuing our people
- a panel external to the school, drawn from senior Toowoomba Catholic Schools personnel and an external expert working with the school community every four years to report on our progress and publish and share this with our school community.

Our most recent School Renewal and Improvement Report is available on our website and is linked [here](#).

Description of how non-attendance of students is managed by the school

Rolls are marked twice a day, morning and afternoon. The families of any students with an unexplained absence are phoned by 9.30am each morning. Late slips are provided so that teachers can monitor late arrivals. Parents are expected to inform the school prior to known absences ie family holiday, doctor's appointment, etc. If students leave the school during the day, parents must sign them out at the school office.

Families of students with long term unexplained absences are required to meet with the principal and the TCS Managing Student Attendance Guideline is followed.
